

The Town Crier

Volume 9

No. 4

Jan. 1967

RESOLVED: to attend the January meeting of the Historical Society on Thursday, the 19th, at the Y.W.C.A. at 7:30.

Ed. Kirkby, geologist, in the General Geology and Research Division of the Michigan Department of Conservation, will speak on Michigan Geology and the State Geological Survey.

Ed received his Bachelor of Science Degree from Michigan State University and is currently doing graduate work there toward a Masters Degree. He joined the Conservation Dept. in 1957 as a summer ranger. In 1960 he became a Geology Trainee, and has since worked with the Department as a Geologist.

He is the author of Michigan Sandstones in our Rock Riches; Geology in the Red Cedar Water Shed; and co-author of the Michigan Geological Source Book, 1963. His hobbies are hiking, rock collecting, reading in his field and, more broadly, Michigan history.

RESOLVED: to read some of the newer publications.

Ideas in Conflict, Clifford L. Lord

The Cost of Freedom, Frederick L. Rath

New Horizons, Clifford L. Lord

Local History: How to Gather It, Write It, and Publish It, Donald D. Parker

Life is a Local Story, Clonent N. Silvestro

These are available through the American Association for State and Local History, 132 Ninth Ave. No., Nashville, Tennessee.

RESOLVED: to mark these dates on my calendar.
