**ROOM FOR THE LADIES.**—Women fill the lecture platform here this week. They draw good evening audiences, too. Ann Eliza Young appeared on Monday (her lecture will be briefly sketched in our next), and Sojourner Truth at Representative hall on Thursday. The latter has a pathetic, untaught eloquence that cannot be described on paper. The audience was large and contributed about \$25 for Sojourner's benefit. Thirty or more copies of her biography were sold and her likenesses were in good demand. We shall try to sketch her lecture briefly in the next Republican.
