

ANOTHER CHEAP EXCURSION.—A special excursion will leave Lansing at 7.40 on the morning of Aug. 1 (Emancipation day), for Detroit, and return the next morning at 9.10, thus giving passengers an opportunity to spend a day and evening in the city. Boats have been chartered to run to Belle Isle park and return, at 15 cents for round trip tickets. Eureka commandery of colored Knights Templar will parade, and at 6 p. m. there will be a review of Knights Templar by Sir John W. Wilson, grand captain-general of the grand commandery of Michigan and the province of Ontario. In the evening there will be a fine display of emblematical fireworks. The arrangements for this excursion are superintended by A. O. Davis, and tickets and information may be obtained at his shop on Michigan avenue.
